

# *Journey to the Heart of Peacemaking*

## Compassionate Listening Delegation Israel and Palestine

March 23 - April 3, 2011

Join Compassionate Listening Project Middle East Program coordinators Yael Petretti and Cathy Keene and an intimate group of international participants for an unforgettable immersion into the heart of peacemaking.

Practice the art of *listening and speaking from the heart* - peacemaking skills that will serve you in all aspects of your life: in your family, community, workplace, and beyond.

Begin with Compassionate Listening training near the ancient Old City of Jerusalem, and practice with Israelis and Palestinians from all sides of the conflict in Israel and the West Bank. Our time is divided between training, listening sessions, and touring. Visit well-known and off-the-beaten-track ancient sites. Listening sessions take place in homes, offices, villages, refugee camps, settlements, and cities. **No prior experience with the Compassionate Listening Project is necessary.**
